An ideal opportunity to own this well presented second floor apartment, set on the second floor of this landmark development on the corner of Brook Street on the way down to The Moor and Falmouth town centre.

This delightful apartment offers bright, well proportioned accommodation which enjoys plenty of sunshine through the front aspect in the morning and this moves around to the back of the apartment in the afternoon. The apartment is considered ideal as a first time purchase or a useful addition to an investors property portfolio having been successfully let over the past few years.

Plenty of features await any lucky new owners including: independent electric heating, UPVC double glazed windows and doors, a fitted kitchen with quality appliances, built-in wardrobes in the bedroom and fitted floor coverings. It is worth mentioning that our client is prepared to sell the property as a 'turn-key' property.

A security entry phone system leads into the communal entrance hall, an easy rising staircase takes you to the second floor and through your own front door into the reception hall which gives access to a fitted kitchen and sitting room overlooking the front aspect, a double bedroom and adjacent well appointed bathroom on the return side. At the rear of the block, Apartment 12 has its own designated parking space which is a considerable bonus in an area where parking is usually at a premium.

The development is just seconds away from a convenience store on the opposite corner and easy walking distance down Berkeley Vale onto The Moor and into Falmouth's town centre where you will find a comprehensive range of independent and high street shops, an eclectic blend of restaurants, cafes and bars, the waterside districts, Falmouth Poly Theatre and at the far end of town, The Events Square with the Maritime Museum.

As our clients' sole agents, we thoroughly recommend an immediate viewing to secure this apartment.
