A rare opportunity to own this highly individual, two bedroom, detached bungalow which is set in an elevated and enviable location at Bridge, close to the centre and all the amenities this well served, highly regarded village has to offer and also enjoys delightful rural views across the valley to surrounding countryside.

The bungalow comes to the market for the first time since construction when it was built for our clients in 1978 and it offers potential new owners the chance to secure a project that needs renovation or a potential re-development, subject to the normal planning permission and building regulation approval.

The accommodation includes an entrance vestibule, shower room/wc combined, split-level lounge and dining room, kitchen/breakfast room, long passageway serving two double bedrooms and a large family bathroom. Outside the property there is a large, detached garage that sits to the left hand side of the property with parking for two vehicles and simple, raised surrounding gardens.

The popular village of Constantine has a host of amenities at hand, including two convenience stores with off licenses, the Tolman Centre and Museum that hosts a number of events, Constantine Social Club with its recreational and children's playground facilities. There is a bowling green and various sports clubs within the village including football and cricket and other facilities including a doctor's surgery, highly regarded primary/junior school, the parish church, the Cornish Arms public house and the Trengilly Wartha on the outskirts of the village. There is also a local bus service which provides links to Helston and Falmouth.

As our client's sole agents, we thoroughly recommend an immediate viewing to secure this property.
