If you are looking for your next home to move into next year, then let us impress you with this superb 1930's built, three bedroom semi-detached house which is set in one of Falmouth's favoured locations at Trevethan Rise, just a stones throw from Kimberley Park and a gentle down hill walk into Falmouth's bustling town centre and waterside districts.

This fine home comes to the market for the first time in 20 years and during that time it has been a comfortable home for our client who has fastidiously maintained and improved the property to a high standard which will undoubtedly impress any prospective new owners.

There is much to admire here at the property which is packed with features including gas fired central heating by radiators, UPVC double glazed windows and doors, a focal point fireplace with gas fire in the sitting room, full external insulation system, an electric car charging point and a combination of hardwearing wood finish flooring and carpets.

The well presented and proportioned accommodation includes on the ground floor, a reception hall, cloakroom/wc, a sitting room, an open plan kitchen/dining room, utility room and garden room. The first floor offers three bedrooms and a re-modelled bathroom/wc in white.

Outside, the property is approached over a 60' long, wide driveway which has recently been re-surfaced, a detached garage and manageable mature gardens to both the front and rear. The house is ideally placed, being within walking distance of local schools and amenities, Penmere branch line station, various university campuses, Falmouth's famous sea front and beaches.
