We are delighted to offer as the vendors sole agents, this light and bright, terraced Victorian town house, set within a very convenient location close to all local amenities, the town and Falmouth's famous sea front and coastal walks.

The property has undergone an extensive program of refurbishment during our vendors occupation and still enjoys many original features including picture rails, original stripped wooden floorboards and original Victorian fireplaces in most of the bedrooms.

This bright and light home has spacious accommodation in brief comprising; entrance vestibule, hallway, lounge/dining room, bespoke fitted kitchen and utility room on the ground floor. The first floor has a split-level landing. Steps to the rear landing take you to the family bathroom and the third bedroom. Further steps take you to the front landing where you will find the principal bedroom, bedroom two, and the bedroom four/home office. From the landing, a turning staircase takes you to the second floor where you'll find a fifth bedroom/suite, with a dressing/sitting room and an en-suite shower room. There is a further box room currently used for storage. To the rear of the property is a good sized, split-level courtyard garden and a purpose built timber shed.

Falmouth's popular and bustling town centre and waterside districts are within walking distance where you can find a thriving town centre which has an excellent blend of individual shops and high street names together with an eclectic selection of multi-national restaurants, bars, coffee houses, art galleries, the Poly Arts Theatre, multi-screened cinema and at the far end of town, the National Maritime Museum. The town plays host to a variety of food and music festivals throughout the year which prove popular with locals and visitors alike. The town has the third natural deepest harbour in the world providing excellent water sport facilities with Falmouth Docks and Pendennis Shipyard providing employment for a large part of the towns population. There is good local schooling with primary and secondary education and various university campuses.
