We are delighted to bring to the market as our client's sole agents, this small select development of four brand new three bedroom homes, set in the walled grounds of the former Redruth and Chacewater Railway Coal Yard in the centre of this popular Cornish village and enjoying suburb rural views from the upper floors.

These stunning homes have a contemporary modern design seldom seen in the South West of England providing spacious three storey living at its finest. These amazing homes have been built to be highly energy efficient, more economical to run, featuring underfloor heating to the ground floor powered by an air source heat pump and radiators to the first and second floor, double glazed windows and doors, dual fuel warm water towel rails in the bathroom and en suite and high standards of insulation throughout.

The accommodation includes on the ground floor, a spacious entrance hallway, large modern open plan fitted kitchen/dining room with bi-fold doors leading to the terrace and garden plus a utility/cloakroom with WC.

The staircase takes you to the first floor landing which has a sitting room with broad windows providing delightful views across the countryside opposite. Finally, the last staircase leads to the second floor with a principal bedroom, doors with a full width sun terrace facing almost due south with even better views and also en suite shower room, a third bedroom and a family bathroom/WC combined.

To the front of the house there are enclosed gardens, a terrace and a further area of garden to the side of the property. Each property comes with a parking space with further guest parking available.

There is a Build Zone ten-year builders warranty which comes with the property from the day of completion.
