This three bedroom terraced house is set in a small cul-de-sac of just five homes, just off Browns Hill near Hawkins Motors, the town centre, the station, university and Penryn Park on the opposite side of the road.

The house comes to the market with the benefit of having 'no onward chain' allowing a motivated first time buyer or investor the chance to acquire a competitively priced property and conduct a swift sale if required. The house has been successfully let until very recently.

With features including gas fired central heating by radiators (combi boiler replaced recently), UPVC double glazed windows, doors and conservatory, a fitted kitchen with appliances and a combination of fitted carpets and hard wearing flooring throughout.

The accommodation in sequence includes a reception hall, galley style kitchen, lounge/dining room and a conservatory. A staircase from the reception hall takes you to the first floor landing where you will find three bedrooms (two doubles and a single) and a family bathroom in white. Outside the property there are small gardens to the front, enclosed gardens to the rear backing light woodland and across the other side of the driveway, a generous single garage and parking space in front.

The historic town of Penryn offers an eclectic range of day-to-day facilities including shops, restaurants, public houses and doctor's surgery. The property itself is close to Penryn infant and junior school, Penryn College for secondary education and Falmouth University (Tremough Campus). Penryn station is also close by with the branch line linking Falmouth Docks to the cathedral city of Truro.

As our client's sole agents, we thoroughly recommend an immediate viewing to secure this property.
